

POSTER SESSION

Posters will be displayed on *65cm wide x 180cm high* stalls.

The OfS Poster Session will take place every day, **Monday to Friday, from 12:30 to 14:30**, in the same hall where the buffet lunch will be served.

Poster presenters will be given instructions on site, but they should be prepared to leave their poster on display for the whole week, and to attend it every day.

Please be advised that posters should limit as much as possible lengthy text, and preferably rely on graphics and pictures to convey their key messages.

Both poster and oral presentations will participate in the same evaluation procedure, for the assignment of Best Contribution awards.

For further information, don't hesitate to contact info@oceanfromspace2020.org.
